However, if you are uninsured, have health insurance that does not provide a prescription benefit, or have Medicare with no supplemental prescription drug coverage, this card may reduce your cost for prescription drugs.

- **How does the card work?**

There is no registration, no forms to complete. Simply pick up one card per family. You can use the card immediately when your prescription is not covered by insurance. Present the card at any participating pharmacy at the point of purchase.

- **Is there an initial or ongoing membership fee to use this card?**

No. Your prescription card is provided to you free of charge by Sedgwick County Government.

(In Sedgwick County, individuals receive a discount 80% of the time when the card is presented.)

- **Will I always receive the lowest price?**
